Hello, IPS Families!

Please help ensure that Ionia Public Schools maximizes funding and grant opportunities by taking 5 minutes to complete a short Household Information survey. All information submitted is confidential.

To complete the Household Information survey online, click [here](#) or scan this QR Code and follow the steps below:

- Click on "Apply for Benefits"
- Follow the prompts to accept the terms and instructions
- Click "Add Child" to add each child in your household
- Follow the prompts to provide the information requested for your household
- Click to Sign and Finish on the last screen

If you would prefer to fill out a hard copy of the Household Information survey, one has been included with this letter. Please complete the form and return to your child's school. Only one form per household is required.

Without your assistance in completing and returning the attached report, our schools cannot maximize the use of available State and Federal funds

Thank you for your continued support as we work to maximize opportunities for IPS families. Please contact our Food Service Department at hsyrek@ioniaschools.org, jnye@ioniaschools.org, or (616) 527-1731 for further assistance.

Thank you!
