Parent Information:

The Middle school has been dealing with some vandalism in our restrooms over the last week. It is a trend nationally for students to vandalize and/or take things from bathrooms or teacher's rooms and post it on Tik-Tok. We are working to make sure our building stays clean and vandalism free. There have been several upgrades to our building over the last two years and we are working hard to keep the building looking nice, clean and safe for everyone. Please take a moment to discuss this issue with your child.

Some 7th and 8th grade students are still waiting to receive their Chromebooks. We have ordered more cases and when they arrive students will be issued one to take home, until then all students have access to Chromebooks daily when in school. Please remind your child to have their Chromebook charged and to bring it to school everyday. We will not be providing internet to any student unless they are under quarantine as students should not have to access the internet for homework.

COVID Information:

Please continue to check your student's health each morning and err on the side of caution, keep them home until they are feeling better or symptom free. If your child is home sick they can access their school work on Google Classroom.

FUN NIGHT

Students will have the opportunity to participate in Fun Night this Friday, October 8th from 7 to 9 p.m. at the High School. Students need to be there at 7 and can not leave until 9. The cost for Fun Night is \$5.00 and we will have the concessions stand open if students want to purchase snacks.

For this first Fun Night we will have a DJ, Basketball and Volleyball. In the future we hope to be able to provide time for students to use the pool as well. All 6th, 7th and 8th grade students are welcome as long as they have not had a detention or been suspended two weeks prior to October 8th.

Questions to ask your child this week?

1. Do you bring your agenda to every class?
2. What am I going to hear from your teachers at conferences?
3. 7th and 8th grade parents should ask about your child's EDP.
4. 6th grade parents should be asking about your child's new elective.
