Medical Information

Dear Parent / Guardian

Please inform the Transportation Department of any medical needs of your child.  
This will help us further insure your passengers safety: Asthma, Bee Stings, Allergies, Seizures, etc...

In case of an emergency, our normal procedure is as follows:

1. Stop the bus in a safe area
2. Radio the bus garage dispatch
3. Dispatch will call 911
4. Notify the parent or guardian

All information will only be shared with staff on a need to know basis.

Thank you for your cooperation
